Dear Mr Ramulifho

Re: Conclusion of dispute between the board and yourself

Your letter dated 18 January 2013 to the board and chairperson of the Portfolio committee bares reference:

1. I wish to inform you that after a further and thorough investigation by Resolve group, it appears that the allegations of overbilling were incorrect and we wish to confirm that it would appear the fault was systematic and internal.
2. On our meeting with the chairperson of the portfolio committee recently, it was concluded that the Parliament portfolio committee on arts and Culture would issues a media statement to correct what porpoted to be allegations of fraud or overbilling by your company.
3. Please note the parliament portfolio committee on arts and culture has its first committee meeting on 26 February 2013.
4. Finally, we confirm that all outstanding fees owing to your firm and advocates assisting your firm in our matters were duly paid on 08 January 2013.
5. We hope you find the above in order and thank you for your co-operation in the investigations.

Yours faithfully

M Zwane
